

London – accessing global capital markets

29 June 2016 The Four Seasons Hotel, Hong Kong

Greater China Forum

By invitation only

In association with:

FinanceAsia **AsianInvestor**

London Stock Exchange Group is a diversified international exchange Group that sits at the heart of the world's financial community. This third year of the Forum brings together Asia's buy-side, sell-side and corporates to look at access routes to London and Europe's wider capital markets, through IPOs, trading and ETFs and fixed income. It is a must-attend also for those looking to explore various ways to access China, in particular through FTSE and Russell's global index expertise and capabilities.

Disclaimer

This programme (the "Event Information") is intended solely to be issued, circulated or distributed in Hong Kong to "professional investors" within the meaning of the Securities and Futures Ordinance (Cap. 571) of Hong Kong and any rules made thereunder. Attendance at the above named event is restricted to such "professional investors". If you do not qualify as a "professional investor", you have received this Event Information in error; please promptly inform Haymarket Financial Media Limited by return email of the error.

LSE plc has not inquired as to whether the securities listed or admitted to trading on LSE plc have been registered with or authorized by the Securities and Futures Commission or any regulatory authority in Hong Kong, and Hong Kong member firms should conduct their own independent due diligence in this regard. Accordingly, As per Part IV, section 103, of the Hong Kong Securities & Futures Ordinance (Cap.571) ("SFO"), products that fall within the definition of "structured products" under the SFO are not intended for investors that are not 'professional investors' in Hong Kong, as defined in the SFO and subsidiary legislation thereunder. Hong Kong member firms must perform their own, independent due diligence on any security they intend to trade to ensure their compliance with applicable Hong Kong law, in particular, if they are acting for a non-professional investor. On www.lseg.com/china, Hong Kong member firms of the LSE plc can find information on all the securities available for them to trade on the LSE plc on the MillenniumIT trading system. This includes securities identified by the LSE plc that may be structured products under Hong Kong law. Hong Kong member firms, acting for a non-professional investor, are advised to exercise greater care in respect of the nature of these securities and their obligations under applicable Hong Kong law. Such securities identified by the LSE plc may not be a definitive list of structured products, and the LSE plc takes no responsibility for, and accepts no liability in respect of, the identification or failure to identify structured products under Hong Kong law or the trading activity of any Hong Kong member firm. The contents of this Event have not been reviewed by any regulatory authority in Hong Kong.
